FISHING: The general fishing season is open in the Eastern Sierra and its waters are stocked regularly by the California Department of Fish and Game. The 2011 Eastern Sierra Fishing Guide is available at sporting good stores throughout the region. Copies of California fishing regulations are available at the Visitor Center, or on the web at www.dfg.ca.gov.

HUNTING: Archery season for quail, chukar and Blue/Ruffed grouse is open in the Eastern Sierra. Archery season for deer is open in zones X-8, X-9a/b/c, X-12 (primarily Alpine, Mono and Inyo Counties) and X-10 (the Kern Plateau). Archery on the west side of the Sierra Nevada is open in zones D-6, D-7 (north, west and south of Yosemite National Park), D-8 (north, west and south of Sequoia/Kings Canyon National Parks & the northern portion of the Sequoia National Forest) and D-9 (between SR 178 and SR 58 with SR 14 on the east). Hunters should keep in mind that many people use these areas for other types of sports; it's much safer to avoid hunting near developed sites, roads and trails. Hunting is not permitted in National Parks.

BACKCOUNTRY: Backpackers should be prepared for sudden weather changes. Watch for lightning, which can occur with thunderstorms. **Be Bear Aware** when parking at trailheads; vehicles must not be left with any food or related items that will attract these animals and result in significant damage. Hikers should be aware; archery hunting season for deer and upland game birds is open for many locations in the Sierra Nevada (except National Parks). In areas open to hunting, it's a good idea to wear brightly colored clothes and stay on the trails.

BEARS (and other hungry animals, including marmots) are active in the backcountry. Backpackers should be prepared to protect their food (and all other items that emit odors) from such animals at all times! Backpackers are required to use portable, bear resistant food canisters on the Cottonwood Pass, Cottonwood Lakes, Mt. Whitney, Kearsarge Pass, Bishop Pass, Treasure Lakes, Dusy Basin, Palisade, Little Lakes Valley, Duck Pass/Purple Lake and Rush Creek/Mammoth lakes trails of the National Forest and some Sequoia/Kings Canyon National Park trails. They are available to rent at many locations.

WILDERNESS PERMITS are required for overnight travel all year long. Trailhead quotas, which daily limit the number of hikers on trails, are in effect for Inyo National Forest wilderness areas. Permits may be obtained at the Eastern Sierra InterAgency Visitor Center (Lone Pine), Bishop Ranger Station, Mammoth Lakes Welcome Center and the Mono Basin Scenic Area Visitor Center (Lee Vining) during office hours. For information on Inyo National Forest wilderness permits, please visit the web at www.fs.usda.gov/inyo. Reservations for permits (except Whitney) can be made up to six months in advance of the starting date of a trip, by phone at 1-760-873-2483, fax to 1-760-873-2484, or by mail - 351 Pacu Lane, Suite 200, Bishop, CA, 93514.
